### **Further note**

This information sheet reflects the current state of our knowledge and experience. It does not constitute a binding assurance of a specific property or of suitability for a specific purpose. The buyer or user of the products must check the products for their suitability for their intended purpose on their own responsibility. If you have any questions, please contact our technical service. Depending on the quality of the tools and aids used, the quality of the work results may also vary. The period of limitation for claims for defects against entrepreneurs within the meaning of §§ 14, 310 para. 1 BGB is 12 months.
